Erratum: 269 years of Homoeopathy: The healing continues

Abstract
In the original editorial, the number of years for which Homoeopathy has persisted, was inadvertently reported as the number of years since the birth of Dr Samuel Hahnemann. The editors sincerely apologize for this error. The corrections about this appear below:

• The Title be read as: ‘228 years of Homoeopathy: The healing continues’
• The first line of the article be read as, “This year, as we gear up to celebrate 228 years of homoeopathy (since 1796 is known as the birth year of Homoeopathy), it is a matter of pride for the homoeopathic fraternity that Homoeopathy continues to evolve globally”.
